Vigour	medium strong, semi-upright to spreading, very good branching, dark green and healthy leaves
Crop load	ideal to high, even spread of fruits and optimum even fruit development, timely fruit-thinning is necessary for maintaining good fruit-size and the health status of the trees

## Peach

<b>Evaluation:</b>	VALLEY SWEET™ Zairoy enhances our range with a very late ripening yellow-fleshed peach. The extraordinary colouring is unique in this ripening period. The high yield, large fruit size and the good internal qualities provide a perfect ending to the peach harvest season.
