

We are a stone fruit tree nursery in the greater area of Koblenz/Rhine in Germany. We produce fruit trees with a high quality standard. Our base is the joy of working with plants.

We are offering

## Internship (m/w/d)

### **Your tasks include:**

General work in the nursery and in the orchards. You will also assist the rating of the new fruit varieties and their rootstocks.

### **We offer:**

Interesting and broad insights into the area of fruit production and tree nursery. Here you will work together with dedicated and qualified staff.

You can contact us via e-mail to clear your questions beforehand or directly send your application to:
